

# Pricing

Pricing is tricky but in an effort to give some guidance I've put together this outline. I will always give a more accurate quote on request but these figures are the general ballpark.

## 28mm figures

These can range from £11 to £15 depending on the complexity of the figure eg a monocolour WW2 uniform with little extra kit would be £10 whereas a complex gothic 40k character with lots of detail would be £18.
